A hand-drawn floor plan of a room. The room is roughly rectangular with a large open area in the center labeled "UNFINISHED STOREROOM". To the right of this area is a staircase labeled "DOWN" with an arrow pointing downwards. Below the staircase is a small rectangular area labeled "TOILET". The room has a door on the right wall leading to the toilet. The walls are drawn with double lines, and there are several small rectangular protrusions or indentations along the perimeter, possibly representing built-in features or structural elements. The drawing is done in black ink on a white background.
